SONGS

1
Sweet Adeline, my Adeline
   At night, dear heart, for you I pine,
In all my dreams your fair face beams
   You’re the flower of my heart, sweet Adeline.

2
It’s a short, short life we live here
   So let us give while we may,
And a song for every moment of the whole bright day.
   What’s the use of looking gloomy,
Or what’s the use of our tears,
   When we know a Mummy’s had no fun
For more’n three thousand years.

3
There are smiles that make us happy
   There are smiles that make us blue,
There are smiles that steal away the teardrops
   As the sunbeams steal away the dew.
There are smiles that have a tender meaning
   That the eyes of love alone can see,
But the smiles that fill my life with sunshine
   Are the smiles that you give to me.

4
Drillers will shine tonight,
   Drillers will shine;
Drillers will shine tonight,
   All down the line.
They’re all dressed up tonight,
   Don’t they look fine?
When the sun goes down and the moon comes up,
   Drillers will shine.

5
East Side, West Side, all around the town,
   The tons sang ring-a-round-rosie London Bridge is falling down.
Boys and girls together, me and Mamie O’Rourke
   Tripped the light fantastic on the sidewalks of New York.

6
Let me call you sweetheart, I’m in love with you,
   Let me hear you whisper, that you love me too.
Keep the lovelight glowing, in your eyes so true,
   Let me call you sweetheart, I’m in love with you.

PROGRAM

Toastmaster, Dean W. W. Burr
