SONGS

1
Let me call you sweetheart, I'm in love with you,
Let me hear you whisper that you love me too,
Keep the lovelight glowing, in your eyes so true,
Let me call you sweetheart, I'm in love with you.

2
While the organ pealed potatoes, Lard was rendered by the choir,
While the sexton tolled the church bell Someone set the church on fire.
Holy smoke—the preacher shouted In the rush he lost his hair
Now his head resembles heaven For there is no parting there.

3
There is no place like Nebraska, dear old Nebraska U,
Where the girls are the fairest, the boys are the squarest,
Of any old place that I know.
There is no place like Nebraska where we're all true blue,
We'll all stick together in all kinds of weather
For dear old Nebraska U.

4
There are smiles that make us happy
There are smiles that make us blue,
There are smiles that steal away the teardrops
As the sunbeams steal away the dew.
There are smiles that have a tender meaning
That the eyes of love alone can see,
But the smiles that fill my heart with sunshine
Are the smiles that you give to me.

5
Oh give me a home, where the buffalo roam,
Where the deer and the antelope play,
Where seldom is heard a discouraging word
And the skies are not cloudy all day.
Home, home on the range,
Where the deer and the antelope play,
Where seldom is heard a discouraging word
And the skies are not cloudy all day.

6
Sweet Adeline, my Adeline,
At night dear heart, for you I pine,
In all my dreams, your fair face beams,
You're the flower of my heart, sweet Adeline.
